**Theme**

A THEME is an important idea that the author wants to communicate. Identify at least two major THEMES of your book.

Major Theme #1	Major Theme #2	Major Theme #3

**Personal Reflection and Response**

Answer each of the questions below as thoroughly as possible. **Type your responses using the standard typed format and attach the printed page to this packet when you turn it in.** Your response to each of these questions should be at least one paragraph in length.

1. What was your favorite part of the novel? Why was that part your favorite?
2. What was your least favorite part of the novel? Why was that part your least favorite?
3. What are some questions you have about the events, character actions, word choice, or decisions made in the novel that you wish the author would have answered?
4. Which of the characters in the novel do you connect with the most? Why do you connect with this character more than any of the others?
5. What are some general observations and thoughts you have about this novel after reading it?
6. What were your expectations about this novel before you read it? Did those expectations change after you finished reading it? What changed them?
